## **MINUTES**

Ms. Allen, Mr. Albanese, Mr. Heller and Mr. Monaco abstained Ms. Filler moved, and Mr. John seconded a motion to approve the May 11, 2020 minutes. The motion carried unanimously.

#### **PUBLIC HEARING**

## Pleasant Run LLC (Profeta Farms)

Block 75 Lot 19- Route 202 and Summer Road

Appl#PB18-016- Request for Extension and Modification of Approved Facade Signage

Attorney Guliet Hirsch was present on behalf of the applicant and explained that the applicant was present seeking Amended Preliminary & Final Site Plan with Variances for sign revisions to the Profeta Farms market. Ms. Hirsch noted that the applicant was also requesting an extension of time to complete all the previously approved site work as well as an extension of time to install the stormwater infiltration basins that were required by the Hunterdon County Soil Conservation District for the existing greenhouses.

The following individuals were present and sworn in for the applicant: Perry Griffin, general manager for Profeta Farms Paul Profeta, the managing member of the LLC

Board Planners Michael Sullivan and Andrea Malcolm were also sworn.

Ms. Hirsch gave some background on the application and explained the proposed sign revisions as follows: The applicant is proposing a 47 square foot sign on the east facade of the building which is a reduction in size of what was previously approved. The previously approved sign on the west side of the building will be eliminated. Two signs are proposed on the south facade of the building that faces Route 202. One sign will say "Profeta Farms" and is 24.66 square feet in size and the second sign will say "Organic Market" and is 22.66 square feet in size. This is a total of 47.32 square feet in new signage on the south facade of the building. The total signage that was previously approved for the building was 250 square feet and 94 square feet is what is now being proposed.

Mr. Griffith explained that the previously approved sign on the west side of the building was not getting enough exposure from Route 202 going north. He further explained that the sign that was previously approved on the south side was too large to fit properly and noted that including organic market will help to clearly identify the services being offered inside the building.

The Board questioned if the lettering on the sign on the south side of the building was large enough. Ms. Hirsch noted that there are restrictions on the size of the sign for it to fit under the eave of the building and not be considered as a roof sign.

The Board questioned if the applicant had any plans to plant anything in the large open field. The applicant noted that there were no plans at this time.

Chair Monaco opened the public portion of the meeting. There were no questions or comments.

Ms. Duffy moved, and Ms. Filler seconded, a motion to approve the application for Pleasant Run LLC for the proposed sign revisions. The roll call vote follows:

Member	Motion	2 <sup>nd</sup>	Yes	No	Abstain	Absent	Not Eligible	Recused
Albanese			X					
Allen			X					
Cook			X					
Filler		X	X					
Heller			X					
John			X					
Mueller			X					
Duffy	X		X					
Monaco			X					
Rohrbach		•					X	

Ms. Hirsch explained that the applicant was requesting an extension of time to complete all previously approved work on the site within the time frame that was given as a condition of the 2019 resolutions, 2019-06 and 2019-07. She further noted that since the time of the request, all items except for the signage that was just approved had been completed.

Mr. Griffin confirmed that the outstanding items had been completed.

In response to a question from the Board, Mr. Griffin confirmed that the generator had been installed and screened.

Mr. Mueller moved, and Mr. Albanese seconded, a motion to approve the request for extension noting that all outstanding items were complete. The roll call vote follows:

Member	Motion	2 <sup>nd</sup>	Yes	No	Abstain	Absent	Not Eligible	Recused
Albanese		X	X					
Allen			X					
Cook			X					
Filler			X					
Heller			X					
John			X					
Mueller	X		X					
Duffy			X					
Monaco			X					
Rohrbach							X	

Ms. Hirsch explained that the applicant was seeking an extension of time from the condition in the 2019 resolution stating that the stormwater infiltration basins required by the Hunterdon County Soil Conservation District for the existing greenhouses had to be completed by June 1, 2020. Ms. Hirsch explained that as a result of the current pandemic, the applicant's business has been suffering and they would like time to be able to further look at the project to attempt to lessen the scope and cost.

Mr. Griffin explained that it is a very expensive project and the applicant would like to do some value engineering to attempt to reduce the scope and cost of the project. He noted that a one-year extension would allow them enough time to fully complete the project.

Mr. Profeta also explained that they have offered some less expensive proposals to the Soil Conservation District and noted that they are trying to handle the issue in a more reasonable fashion.

Ms. Filler moved, and Mr. Mueller seconded, a motion to approve the request for one-year extension for Pleasant Run LLC to complete the stormwater infiltration basins for the greenhouses as discussed. The roll call vote follows:

## 2020 Amended Third Round Housing Element and Fair Share Plan

Board Planners Michael Sullivan and Emily Goldman were sworn.

Michael Edwards, the Township's Affordable Housing attorney was present. Mr. Edwards provided background and status on the Township's Fair Share Housing Settlement Agreement. Mr. Edwards explained that the final number that the Township was given in the third-round settlement was 1045 units. He further explained that due to the Township's limited sewer capacity, they were given a durational adjustment which would allow them to defer a portion of the obligation to future rounds. The final number of 783 units are to be completed between now and 2025. The remaining 262 units are to be addressed as new sewer capacity becomes available.

Board Planner Michael Sullivan reviewed the 2020 Amended Third Round Housing Element and Fair Share Plan prepared by Clarke Caton Hintz dated 3/11/20 with the Board and the members of the public.

Mr. Sullivan explained the requirements of what needs to be included in a housing plan as follows:

- Inventory of housing stock
- Projection of the housing stock
- Analysis of demographic characteristics
- Employment characteristics and projections for employment
- Evaluation of the present and prospective need for affordable housing and the capacity of the township to accommodate the need for housing
- Examination of the lands deemed most appropriate for affordable housing including buildings if applicable
- Fair Share Plan, appendices, affirmative marketing and other technical appendices

Mr. Sullivan explained the three components of a municipality's affordable housing obligation and how Readington Township was meeting their obligation as follows:

## The Rehabilitation Share

The Township's Rehabilitation obligation is 95 units. In order to satisfy their obligation, the Township will continue their participation in Hunterdon County's Home Improvement Loan Program. The Township will also operate a supplementary rehabilitation program to expand the reach of the program.

## The Prior Round Obligation

The Township has met its 394-unit Prior Round obligation as follows:

- Prior credits
- Credits without controls
- For-sale family units at Whitehouse Village, Calio House, Winfield-Cushetunk Manor, The Farm and Nelson Street
- Family rental developments and group homes provided by Anderson House. ARC and Allies Inc.

## **Third Round Obligation**

The Township's Third Round Obligation is 1045 units. The durational adjustment reduces the obligation to 783 units and will be addressed as follows:

- RCA (Regional Contribution Agreement) credits
- Lake Cushetunk Woods (84 units)
- Mirota (60 senior rental units)
- Extension of controls for 13 units in Whitehouse Village
- Proposed group homes
- Market to affordable programs both Township wide (27units) and at Harriet's Mobile Home Park (22 units)
- Municipally sponsored developments at Habitat for Humanity-James Street (3 units)
   Dobozynski Farm Apartment (1 unit), BCUW/Madeline Partnership Site (43 units),
   Three Bridges-Diaz (80 units) and Nelson Street (42 units)
- SAR (48 units)
- Readington Commons (64 units)
- Fox Hollow (48 units)
- Durational Adjustment Sites at Mirota (80 units), Van Doren (41 units), Hionis (33 units) and Three Bridges (42 units)

Mr. Sullivan noted that a memo was issued dated May 21, 2020 with some minor revisions that were made to the Amended Third Round Housing Element and Fair Share Plan.

Chair Monaco opened the public portion of the meeting. There were no questions or comments.

Mr. Albanese moved, and Ms. Filler seconded, a motion to adopt the 2020 Amended Third Round Housing Element and Fair Share Plan with the revisions as discussed. The roll call vote follows:
